## 2023 CHARDONNAY

Lo and Behold Winery's Chardonnay is a beautifully crafted expression of California winemaking, with grapes sourced from the renowned Clarksburg AVA. Clarksburg's unique terroir, characterized by its warm days and cool nights, allows the Chardonnay grapes to develop rich flavors while maintaining bright acidity. This careful balance results in a wine that is both refreshing and complex. On the nose, this Chardonnay offers enticing aromas of ripe pear, crisp green apple, and hints of citrus, complemented by delicate floral notes and a touch of vanilla from oak aging.

On the palate, Lo and Behold's Chardonnay delivers a harmonious blend of fruit and texture. Flavors of golden apple, honeydew melon, and Meyer lemon shine through, accompanied by a subtle creaminess that adds depth without overwhelming the wine's natural vibrancy. The influence of Clarksburg's climate is evident in the wine's refreshing acidity, which provides structure and a clean, lingering finish. A delicate touch of oak imparts notes of toasted almond and baking spices, enhancing the wine's complexity while preserving its bright and lively character.

This Chardonnay is incredibly versatile, pairing well with a variety of dishes, from grilled seafood and roasted chicken to creamy pasta and soft cheeses. Its balance of richness and freshness makes it an excellent choice for both casual sipping and fine dining experiences. Whether enjoyed on a warm afternoon or paired with a thoughtfully prepared meal, Lo and Behold Winery's Clarksburg-sourced Chardonnay showcases the elegance and charm of California winemaking at its finest.
