Lo and Behold Winery's 2022 Monterey County Pinot Noir is a vibrant and expressive wine that showcases the unique terroir of the region. Monterey County's cool coastal climate and well-draining soils create ideal growing conditions for Pinot Noir, allowing for a balance of bright acidity and rich fruit flavors. This vintage offers a deep ruby hue with enticing aromas of ripe cherries, wild strawberries, and subtle floral notes, complemented by hints of earthiness and baking spices. The wine's nose is inviting and complex, promising a well-structured and engaging tasting experience.

On the palate, the 2022 Pinot Noir delivers a harmonious blend of red fruit flavors, including raspberries and cranberries, alongside nuances of vanilla and oak from careful aging. The silky tannins and medium body create a smooth, elegant mouthfeel, while the wine's crisp acidity keeps it refreshing and balanced. A touch of minerality adds depth, reflecting Monterey County's coastal influence. The finish is long and satisfying, leaving lingering notes of spice and dark cherry that invite another sip.
